

## What we believe:

As United Methodists, we believe in the following basic truths of the Christian faith:

We believe that God loves everyone fully and unconditionally, and that God freely offers unconditional love through Jesus Christ.

We believe that faith in Jesus Christ frees us from our sins to live life fully; opening up a whole new world of joy, peace, and fulfillment.

We believe that God calls us to love others, just as Christ first loved us.

We believe in reaching out to all persons to show them the love of Jesus Christ through our actions day by day.

We believe that in Christ we are one body made up of many parts working together to proclaim God's love and forgiveness to a hurting world. As a diverse people of God, we each have gifts and talents that can be used to show God's love and minister to others.

We believe that God's presence and love accompany us each step of our faith journey, in this life and forevermore.
